AMENDMENT UNDER 37 C.F.R. § 1.116
IN RESPONSE TO FINAL OFFICE ACTION

In response to the final Office Action mailed by the United States Patent and Trademark Office (the "PTO") on January 20, 2010 in connection with this application and pursuant to Rule 116 of the Rules of Practice, please enter the following amendments and consider the accompanying Remarks. It is believed that no Extensions of Time are required and that no fees are due for this Response. However, should the PTO determine that any Extension(s) of Time is/are required, then Applicants respectfully request that this paper also be considered as a Petition for the required Extension(s) of Time, and that the required Extension(s) be granted. Should the PTO determine that any fee is due or that a refund is owed for this application, then the Commissioner is hereby requested and authorized to charge any required fee(s) (including any required Extension of Time fees) and/or credit any refund(s) owed to Deposit Account No. 06-1050 of Applicants' undersigned representatives.

Amendments to the Claims are shown in the Claim Listing beginning on page 3 of this paper. The claim listing provides a complete listing of all the claims ever presented in this application, with markings to indicate Applicants' proposed amendments, and replaces all prior versions and listings of claims in this application.
